Additional Authorized Stream Locations

ADVISORY: You are advised to determine the land status of any location you select to conduct small-scale mining. Other state and federal agencies may have additional requirements or may prohibit your activity on their lands. Please consult the various agencies listed on your permit prior to going to the field.

List stream(s) and legal description of mining location(s):

Creek/River Name	Anadromous Waters Catalog Number *	Section	Township	Range	Meridian	Dates Permitted

*Streams with an Anadromous Waters Catalog Numbers are authorized under AS 16.05.871. All other streams are authorized under AS 16.05.841.

For Official Use Only
