

ADF&G Hunter Access Grant Program DE MINIMIS INDIRECT RATE FORM

This form is for Hunter Access Program applicants requesting a 15% de minimis indirect rate in their budgets. This rate is only available to nonfederal entities who do not have a current federally negotiated indirect cost rate agreement (NICRA), and excludes government agencies that receive more than \$35 million in direct federal funds.

I certify that the _____ is not a government agency that receives more than \$35 million in federal funds, does not have a current federally negotiated indirect cost rate agreement (NICRA), and, if the proposal referenced below is approved for funding by the Hunter Access Program, that 1) costs incurred will be consistently charged as either indirect or direct costs throughout this organization, 2) costs will not be double charged or inconsistently charged as both, and 3) this methodology will be used consistently for all federal awards until such time this organization chooses to negotiate for a rate.
