

Alaska Department of Fish and Game

Data Summary

Maps depicting the magnitude of chum and king salmon commercial harvest for each statistical area in the South Alaska Peninsula, grouped by gear and month, 2023–2025.

Notes:

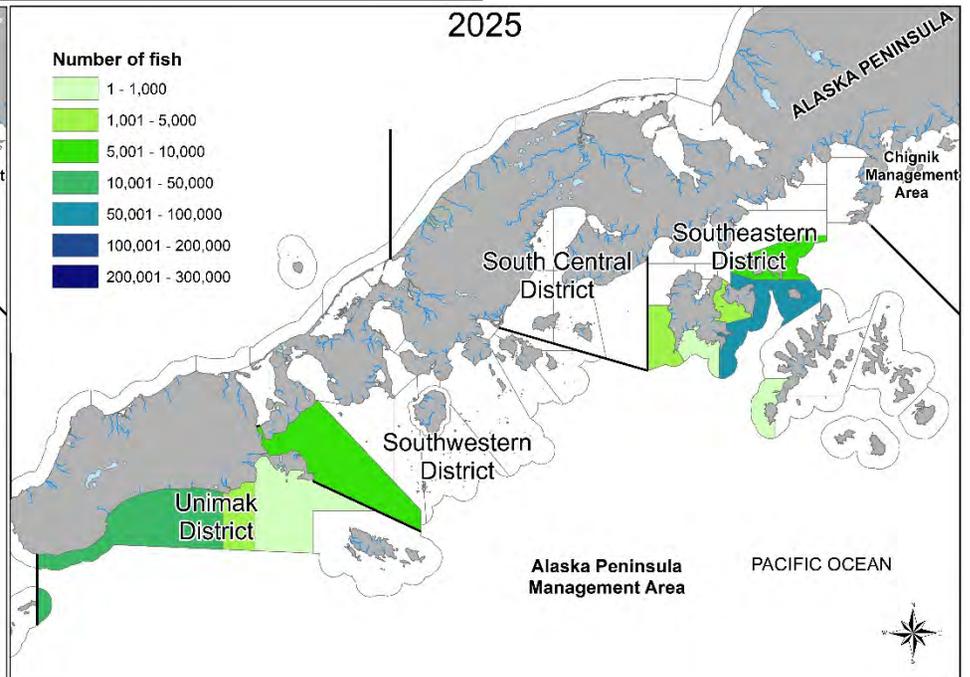

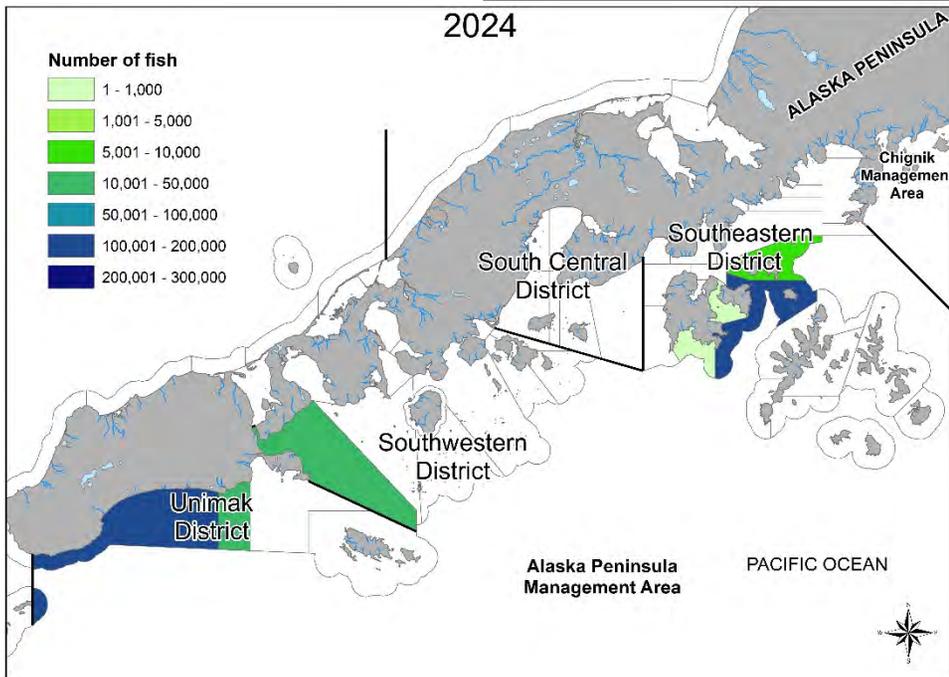

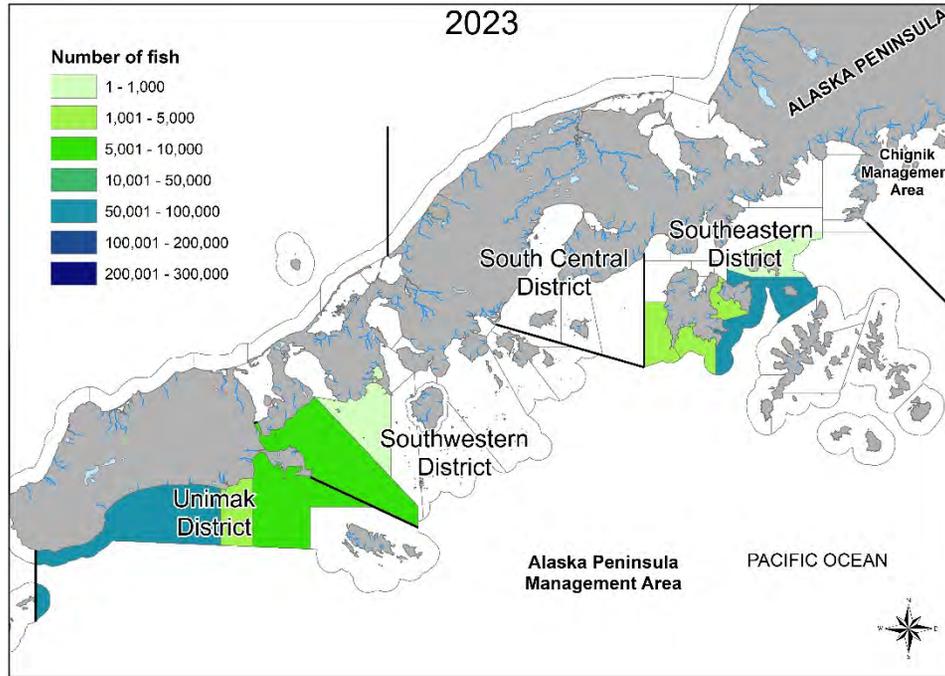

Harvest information includes commercial harvest and excludes test fishery and personal use harvest and was queried from the statewide fish ticket database on February 6, 2026. Statistical areas without color either had no harvest or the area was closed to commercial salmon fishing.
