Proposal 126:

1. The 191,000 Sockeye cap in the Dolgoi Island Section was implemented at the 2016 Board of Fisheries Meeting. The 191,000 Sockeye cap limit has not been reached since 2017.
2. From the 2018 thru 2025, the SEDM has had one fishing day, total, while under the [S.E.D.M.](#) Management Plan
