

Alaska Department of Fish and Game

Data summary

Summary of South Alaska Peninsula commercial King and chum salmon harvest July 1 to October 31, by numbers, pounds, average weights, statistical area, year, and all gear combined 2010–2025.

Notes:

Harvest information includes commercial harvest and excludes test fishery and personal use harvest and was queried from the statewide fish ticket database on Nov 18, 2025.

* denotes confidential information, but totals contain summed confidential harvest.

Contact information for ADF&G South Alaska Peninsula Area management biologists is listed below:

Matt Keyse
