King Salmon Conservation

RC026

Close all waters of Bristol Bay to trawl fishing as defined 5AAC 39.975

(13) "waters of Alaska" means the internal waters of the state including rivers, streams, lakes and ponds, the tidal zone of the state from mean higher high water to mean lower low water, and those waters extending three miles seaward of a line (the baseline) between the following points:

(D) Bristol Bay Area:

500 westernmost tip of Cape Menshikof;

501 southernmost tip of Pyrite Point;

5 AAC 06.100. Description of area.

The Bristol Bay Area consists of all waters of Alaska in Bristol Bay including drainages enclosed by a line from Cape Newenham at 58° 38.88' N. lat., 162° 10.51' W. long., to Cape Menshikof at 57° 28.34' N. lat., 157° 55.84' W. long.

Did you develop your proposal in coordination with others, or with your local Fish and Game Advisory Committee? Explain. Other sports fishing resource users were consulted and I received positive feedback on the concept of this proposal. *(Amended by Com. f. Sherman Kyle Lints)*
