

PROPOSAL 112 – 5 AAC 85.020. Hunting seasons and bag limits for brown bear. Lengthen the hunting season for brown bear in Unit 11 as follows:

Unit 11 brown/grizzly bear season: August 10 – June 30.

What is the issue you would like the board to address and why? Extend the brown/grizzly bear season to June 30 in Unit 11.

More closely align the season with similar adjoining areas. Example: Unit 12 brown bear season ends June 30, and Unit 13 has no closed season.
