

**PROPOSAL 87**

**5 AAC 85.025. Hunting seasons and bag limits for caribou.**

Change for the Fortymile caribou registration hunt in Unit 20 to a drawing hunt with a longer season as follows:

Change the registration hunt to a drawing hunt with a longer season. You'll get your quota and hunters will have a much higher quality and safer experience

**What is the issue you would like the board to address and why?** Change the Fortymile caribou herd registration hunt to a drawing hunt before someone gets shot. This is the worst, most dangerous hunt in the hunt in the state because of its current status as a registration hunt with early closures.

**PROPOSED BY:** Janner Morgan
