Policy on Election of Officers

At its January 2015 Work Session, the Board of Game (Board) adopted a policy setting the schedule for officer elections based upon the following:

It is the policy of the Board for officer elections to be held annually at the work session, regardless of whether or not the membership changes. In the event a work session is not scheduled, the Board shall hold the officer elections at the first regular meeting of the year. Officers will serve until the Board is able to elect new officers or unless circumstances require the officer to step down.

CRITERIA FOR DEVELOPMENT OF BOARD-GENERATED PROPOSAL

It has been suggested that criteria need to be established to guide the Alaska Joint Boards of Fisheries and Game, Board of Fisheries, and Board of Game (boards) members when deliberating on whether or not to develop a board-generated proposal. The boards will consider the following criteria when deliberating the proposed development and scheduling of a board-generated proposal:

1. Is it in the public's best interest (e.g., access to resource, consistent intent, public process)?
2. Is there urgency in considering the issue (e.g., potential for fish and wildlife objectives not being met or sustainability in question)?
3. Are current processes insufficient to bring the subject to the board's attention (e.g., reconsideration policy, normal cycle proposal submittal, ACRs, petitions)?
4. Will there be reasonable and adequate opportunity for public comment (e.g., how far do affected users have to travel to participate, amount of time for affected users to respond)?

Findings adopted this 16th day of October 2013.
